2012 High School Academic Challenge Tournament

The 26th Annual High School Academic Challenge Tournament was held on Friday, March 23, at the Medina County University Center. Medina County University Center proved to be an outstanding host and location for the tournament.

Winners: Cloverleaf Local

Cloverleaf High School's Academic Challenge team advanced through seven rounds of Academic Challenge competition to win the first-place trophy. Cameron Flint and Lisa McGraw are the advisors of the winning team. As the first-place winner and as the Varsity League winner, Cloverleaf High School Academic Challenge team will advance to the regional Ohio Academic Competition on April 21. Regional winners and runners-up will be invited to the state competition in Columbus on May 5.

Eight high schools (including Brunswick, Buckeye, Cloverleaf, Columbia, Highland, Medina, Revere, and Wadsworth) participate in the Medina County Academic Challenge League. This year four league matches were played to determine a league winner, and the final all-day double elimination tournament designated a tournament winner. The Cloverleaf High School team won the league title and trophy and was presented with the traveling trophy at the tournament.

Revere High School's Academic Challenge Team won the second-place trophy at the tournament. The team's advisors are Ellen Friery and Jeff Fry. The Revere JV team was also awarded the first-place trophy for the regular season JV competition.

Second Place: Revere

Medina County Schools' Educational Service Center coordinates the Medina County Academic Challenge League. For additional information, contact Jacinda Yonker, Medina County Schools' Educational Service Center, at 330/723-6393, Ext. 135, or jyonker@medina-esc.org.

National Dairy Council Grant

MCSESC received two \$4,000 grants for Buckeye Local Schools from the National Dairy Council's "Fuel Up to Play 60" program. Fuel Up to Play 60 promotes making a commitment to healthy eating and 60 minutes of physical activity every day.

MCSESC received two \$4,000 grants for Buckeye Local Schools from the National Dairy Council's "Fuel Up to Play

Van Transportation Wheelchair In-Service

On Friday, March 23, 2012, the Medina County Schools' ESC provided training, which was taught by Mike Redfern, on how to properly transport a wheelchair bound individual. Five MCSESC van drivers were in attendance. A video explaining how to properly secure a wheelchair and its occupant was viewed and discussion was held. When the classroom portion of the training was complete, the group then received hands-on training with the wheelchair-equipped van that the MCSESC recently purchased.

Summer School and Credit Recovery Enrichment Options 2012-2013

The Medina County Schools' ESC Virtual Learning Academy will be offering Summer School and Credit Recovery/Enrichment Options for Medina County area junior and senior high school students. The online curriculum is provided by Aurora Learning, a leader in Internet courses of study. The structure of online lessons provides students with challenging assignments, regular reviews and discussion with their teachers, and immediate feedback. With computerized instruction, students advance at their own pace and they never feel pressured to rush through an assignment. High school and junior high school courses are available. Lessons require students to read and demonstrate their ability to analyze, think, and articulate their thoughts.

For more information about online courses and summer school registration and course availability, download the Online Anytime program brochure on our Web page at www.medina-esc.org (on the left side of the page, click on "Internet Based Education" to go to the brochure). Or call (330) 723-6393, Ext. 125, and request a brochure be sent by mail. Questions may be directed to Tom Magier at (330) 635-8146 or Joe Crisafull at (330) 635-2310.

The Search

The Cloverleaf Local School District Board of Education is seeking qualified candidates for the position of High School Principal. The successful candidate will provide strong leadership in developing, implementing, and improving the educational programs and services at Cloverleaf High School. Previous high school principal experience is preferred, but not mandatory.

The Application Process

- A letter of interest
- A current resume

All materials should be sent to:
Mr. Robert Hevener,
Director of Curriculum and Instruction
Cloverleaf Local School District
8525 Friendsville Road
Lodi, OH 44254

Salary and Contract

The Board will offer a competitive, multi-year contract with salary and benefits commensurate with the qualifications of the successful candidate.

About the District

The Cloverleaf Local School District spans 119 square miles including Chatham Township, Chippewa Lake Village, Gloria Glenns Park Village, Lafayette Township, Lodi Village, Seville Village, Westfield Center and Westfield Township. Cloverleaf was formed August 10, 1957, when five school districts (Chatham, Lafayette, Lodi, Seville and Westfield) merged.

Located just west of the 224/71 intersection, Cloverleaf Local School's campus is comprised of 3 school buildings. The newly constructed Cloverleaf Elementary opened on January 18, 2012 and houses students in grades pre-kindergarten through 5. The Cloverleaf Middle School houses grades 6 through 8, and the High School serves grades 9 through 12.

With an enlightened, research-based educational philosophy, our dedicated staff and administration is proud of our "Excellent" district rating. Additional examples of excellence our staff, students and community is proud to include:

- Marching Band thirty year state qualifier.
- Multiple Division 1 college student athletes.
- Medina County Teachers of the Year
- National Merit Students.
- Championship Robotics Club.
- Championship Academic Challenge.
- Stable Permanent Improvement funding.
- Award winning Food Service Department.
- Community Recreation Center with state of the art facilities.

Employment Opportunity

Employment opportunities are offered without regard to age, race, color, religious ancestry, national origin, citizenship status, gender, handicap or disability, or status as a veteran.

Daryl Kubilus Jr., Superintendent

Mission Statement

"The mission of the Cloverleaf Local Schools, a unified community committed to an interactive approach to life-long learning, guarantees all students an excellent education that prepares them for life's challenges by providing innovative instruction filled with engaging, experience-based learning opportunities, delivered by highly qualified educators in a safe, stimulating, and respectful environment."

Leadership Profile

The Cloverleaf High School Principal will:

- Serve as the instructional leader through modeling, training, supervising and evaluating all staff.
- Create, facilitate, and sustain an environment of collaborative planning and decision making as a part of the overall district commitment to excellence. The principal will analyze problems, identify alternative solutions, project consequences of proposed actions, and implement recommendations in support of building and district goals.
- Facilitate and lead Building Leadership Team with the responsibility of developing and implementing a plan that promotes and motivates building excellence.
- Lead the planning and delivery of staff development programs consistent with the district and building goals to improve student achievement.
- Apply the principles of conflict resolution to resolve interpersonal problems that arise.
- Lead the entire school community through collections, disaggregation, and analysis of the school's performance data and subsequent development of a school plan designed to address the identified needs.
- Assist in recruiting, screening, hiring and assigning professional staff.
- Provide for a safe learning environment through appropriate student management systems as well as the Emergency Response Plan. The principal will assure on-going training for the Emergency Response Team in cooperation with district efforts.
