Registration Information

Registrations must be received at least one week prior to the start of class!

You can take any of these courses from the comfort of your home or office at the times that are most convenient to you. All six week courses include an online instructor, are comprised of 12 lessons, and represent 24 or more hours of instruction. Two lessons are released each week, and each lesson concludes with a quiz. You may take any quiz multiple times if necessary in order to receive a passing score. The class is concluded with a final exam.

Each of your lessons is also accompanied by an interactive discussion area. When you need help with a lesson, all you have to do is post your question or inquiry in the appropriate course discussion area, where the instructor, his or her teaching assistant, or one of your fellow students will respond.

Upon successful completion of the course, you will be able to download a certificate of completion. This certificate may then be submitted to your local school district for 2.4 CEUs, or to the ESC of Medina County for 1 or 2 semester hours from Ashland University or The University of Akron. In order to receive graduate credit, participants must:

1. complete the course contact hour requirement,

2. complete all 12 lesson quizzes with a passing score of at least 80% per quiz, and

3. receive a score of 70% or better on the final exam. You have two weeks from the day the last lesson and final exam are released to complete your studies and submit the final exam for evaluation. After two weeks, you will no longer have access to your ed2go class. A ten day extension may be available for unusual circumstances.

4. **If you are signing up for semester hours, you must also submit one additional graded assignment to the ESC of Medina County (see "Instructions for Semester Hours", next page).**

   The additional assignment is due to the ESC of Medina County no more than six weeks after the release day/date of the final exam.

Instructions

Your payment must be sent in along with the registration form in order for your registration to be finalized, and must be received no later than one week before the start date of your class. We accept Visa, MasterCard, cash, check, or money order. Please make your check or money order payable to ESC of Medina County. Note: Payment is nonrefundable from seven (7) working days prior to the start of the class.

Ohio Local Professional Development Committees
All courses taken by educators toward the renewal of their license should be relevant to their assignments and reflect the goals of their Individual Professional Development Plan (IPDP).
