AP Calculus AB (Buckeye, Highland, & Cloverleaf)

AP Calculus BC (Highland)

Honors Pre BC Calculus (Cloverleaf)

June 2008

The College Board Advanced Placement Program offers high school students an opportunity to earn college credit and placement while still in high school.

In order for a school district to offer A.P. course credit, teachers must follow the curriculum content and course goals established by the College Board Placement Program.

A.P. course description outlines can be found at [www.apcentral.collegeboard.com](http://www.apcentral.collegeboard.com)
