

CapriSun Drink Pouch Brigade

Help the environment and recycle.

Start saving your CapriSun drink pouches.

Bring your used pouches into school and help support our students.

Pouches should be empty without the straws and can be dropped off in the health office at your building.

Money collected will be used to purchase health and wellness supplies for your school district!

Please call Lori Hogue, Director of Nursing Services, if you have any questions.

330-723-6393, Ext. 118
