The Ohio Department of Education (ODE) and the Ohio Department of Mental Health worked with Justice Evelyn Stratton of the Ohio Supreme Court in conceptualizing the Safety and Violence Prevention Curriculum training. The Ohio Suicide Prevention Foundation and the Interprofessional Commission of Ohio played instrumental roles in writing the curriculum and in soliciting input from more than 30 state and local agencies, universities, schools, and associations.

The online training meets new requirements of Ohio state law stipulating that as of March/2009, all K - 12 school professionals must take four hours of training in child abuse recognition; violence and substance abuse prevention; and positive youth development every five years. (Ohio Revised Code Section 3319.073)
