MEDINA COUNTY FAIR HONORS ENSEMBLES

🌀 *History* 🌀

In the fall of 1921, Samuel T. Burns, Assistant Superintendent of Schools and director of music education for Medina County Schools, initiated what was to be later called the *Medina County Plan*. This plan made it possible for Medina County school administrators to secure and retain music teachers, with adequate training and successful experience, to teach in the county schools. Burns' plan would allow for a comprehensive music program to be built in the Medina County Schools. The *Plan* made possible a varied and equalized program of music instruction at a moderate cost to each school and a fair degree of specialization in instruction through the employment of well-trained music teachers.

The *Plan* also called for the organization of honors organizations. A 60-member county honors orchestra, 75-member county honors band, and an honors chorus of over 100 voices were formed from students within the county school system. The students taking part in the ensembles were the most advanced and "best the county could offer." Rehearsals were centralized and held regularly during the course of the year. Concerts were provided at various times during the school year as well. So successful were those groups that a county music camp was organized for one week during the summer.

The summer of 1982 saw a rebirth of Burns' honors band concept. A decade later, the honors band program had grown to include two bands, two choirs, and an orchestra. This year the ensemble offerings include a band, two choirs, and an orchestra; over 150 students are participating.
