Summer School, Credit Recovery Enrichment Options 2012-13

The Medina County Schools' ESC Virtual Learning Academy will be offering Summer School and Credit Recovery/Enrichment Options for Medina County area junior and senior high school students. The online curriculum is provided by Aurora Learning, a leader in Internet courses of study. The structure of online lessons provides students with challenging assignments, regular reviews and discussion with their teachers, and immediate feedback. With computerized instruction, students advance at their own pace and they never feel pressured to rush through an assignment. High school and junior high school courses are available. Lessons require students to read and demonstrate their ability to analyze, think, and articulate their thoughts.

For more information about online courses and summer school registration and course availability, download the Online Anytime program brochure on our Web page at www.medina-esc.org (on the left side of the page, click on "Internet Based Education" to go to the brochure). Or call (330) 723-6393, Ext. 125, and request a brochure be sent by mail. Questions may be directed to Tom Magier at (330) 635-8146 or Joe Crisafull at (330) 635-2310.

TREASURER'S OFFICE CHANGES

The treasurer's office of the MCSESC is taking steps to conserve money expenditures by using the state software USASweb that will handle all requisitions on line. This product will decrease the expense of handling and creating purchase orders for each department.

May 21, 2012 - Awards Reception

This gala event will display art work created by seniors who are students of visual arts teachers in the Medina County Schools. The county show continues to provide a forum for students to display their works of art in a public setting and see the works of other students from across the county. The format is similar to a graduating art major in college who is required to hold a senior show.

This year's scholarship awards reception is scheduled for Monday, May 21, at 7 p.m. We welcome art teachers, sponsors, scholarship winners, and their parents to attend. Awards will be presented at 7:30 p.m. at the Medical Center.

Visual arts teachers will be responsible for removing their students' artwork from the Medical Building on Thursday, May 24, from 2 to 5 p.m. Artwork will be available at the drop-off point.
