Explore Our Fall/Winter Online Course Offerings!

The Educational Service Center of Medina County offers graduate credit for online courses. You can receive either one or two semester hours per class from Ashland University. There are two ways to learn.

- In our **instructor-led courses**, you study and interact with a cohort over a six-week schedule. Courses start monthly with twice-weekly lesson plans.
- For the independent learner, our **self-paced courses** also start monthly. You have access to all lessons immediately and have up to three months to complete each course. You can take any of these courses from the comfort of your home or office at the times that are most convenient for you.
