

ASHLAND UNIVERSITY

Ashland University Announces Its New Reading Endorsement Program

- Are you a classroom teacher who wants to learn new strategies to assist readers who struggle?
- Does working collaboratively with a mentor, while tutoring children and adolescents who struggle with reading and writing appeal to you?
- Do you anticipate working with children who may be impacted by the 3rd Grade Reading Guarantee?
- Do you want to have the Ohio Reading Endorsement attached to your Ohio teaching license?

Join your colleagues for this 15-hour graduate licensure program available through Ashland University's program centers. The advanced intervention course work and tutoring sessions, will focus on children in the early, middle, and secondary grades and provide you with the knowledge and experiences needed to assist struggling readers and writers.

Need More Information?

Please contact the program director in your area for schedule, admission, and registration information.
