Dear Parents and Students,

Congratulations to the winners of this year's festival and to all the participants whose dedication and hard work are showcased. You should be incredibly proud!

Medina Hospital is honored to host the Visual Arts Festival and showcase the artwork of our local students in the South Medical Office Building. We value the opportunity to partner with the area schools.

By bringing the Visual Arts Festival to the medical buildings, we can share the exceptional talent of these students with patients, visitors, staff, and the community. Hundreds of people pass through the medical buildings each day. They are amazed that the art is created by local high school students.

Thank you for allowing us to share in the accomplishments of these outstanding artists.

Congratulations!

Thomas L. Tulisiak, MD  
President, Medina Hospital

## *Scholarship Awards*

Medina County Art League has a raffle of donated artwork from participating artists in our annual Art in the Park event, held on the third Sunday each year in July. For several years the league has added to the raffle earnings making the Scholarship Awards an outstanding amount of money for the students. This year is no different. We have set aside \$2,800 to be distributed as follows: 1<sup>st</sup> Place - \$1,000; 2<sup>nd</sup> Place - \$700, 3<sup>rd</sup> Place - \$550; and Honorable Mention - \$350. This year we also have a \$200 Lois Steinmetz Memorial Award.

Scott Borrer, Medina County Art League Scholarship Committee Chair, stated, “We are always happy to see such quality coming from the students. Since the teachers play a large part in the quality of work the students produce, I would like to thank them for helping their students develop their artistic abilities. Our challenge is to find the students who not only have talent but who can create with their heart.” We believe we have done this and are happy to announce the following MCAL 2014 Continuing Art Education Scholarship award winners:

1 <sup>st</sup>	Emily Buckingham	Wadsworth HS	Kent State University
2 <sup>nd</sup>	Kathryn Schwarz	Highland HS	Ohio University
3 <sup>rd</sup>	Megan McNamara	Brunswick HS	Cleveland Institute of Art
HM	Sarah Zona	Highland HS	Savannah College, Art/Design
Steinmetz	Austin Turner	Brunswick HS	Kent State University

# Purpose

The Medina County Visual Art Festival—High School Senior Show continues to provide a forum for students to see the works of other students from across the county. For students entering portfolios, the format is similar to a graduating art major in college who is required to hold a senior show.

Additionally, the Medina County Art League presents scholarship awards to the winners of its “High School Seniors Scholarships Program” during the Visual Art Festival.

An outgrowth of the Visual Art Festival is a year-around rotating student artwork display on most floors of the South Medical Office Building.
