Dear Parents and Students,

Congratulations to the winners of this year's festival and to all the participants whose dedication and hard work are showcased. You should be incredibly proud!

Medina Hospital is honored to host the Visual Arts Festival and showcase the artwork of our local students in the South Medical Office Building. We value the opportunity to partner with the area schools.

By bringing the Visual Arts Festival to the medical buildings, we can share the exceptional talent of these students with patients, visitors, staff, and the community. Hundreds of people pass through the medical buildings each day. They are amazed that the art is created by local high school students.

Thank you for allowing us to share in the accomplishments of these outstanding artists.

Congratulations!

Thomas L. Tulisiak, MD
President, Medina Hospital

Medina County Art League

- Scholarship Awards -

Medina County Art League has a raffle of donated artwork from participating artists in our Art in the Park event, held annually on the third Sunday in July. For several years, the league has added to the raffle earnings making the Scholarship Awards an outstanding amount of money for the students. This year is no different. We have set aside \$2,600 to be distributed as follows: 1st Place - \$1,000; 2nd Place - \$700; 3rd Place - \$550; and Honorable Mention - \$350.

Scott Borrer, Medina County Art League Scholarship Committee Chair, stated, "We are always happy to see such quality coming from the students. Since the teachers play a large part in the quality of work the students produce, I would like to thank them for helping their students develop their artistic abilities. Our challenge is to find the students who not only have talent but who can create with their heart." We believe we have done this and are happy to announce the following MCAL 2015 Continuing Art Education **Scholarship** award winners:

2 nd	Mikala Burlingame	Medina HS	Baldwin-Wallace Univ.

Purpose

The Medina County Visual Art Festival—High School Senior Show continues to provide a forum for students to see the works of other students from across the county. For students entering portfolios, the format is similar to a graduating art major in college who is required to hold a senior show.

Additionally, the Medina County Art League presents scholarship awards to the winners of its “High School Seniors Scholarships Program” during the Visual Art Festival.

An outgrowth of the Visual Art Festival is a year-around rotating student artwork display on most floors of the South Medical Office Building.

Rules

- ◆ High school seniors who are students of Medina County visual arts teachers are eligible to participate.
- ◆ Scholarship portfolios, non-scholarship portfolios, and individual entries are accepted.
- ◆ Artwork must be original, school appropriate, and created in conjunction with school assignments.

Recognition

- ◆ Winners of the Medina County Art League “Senior Scholarship Program” will each receive a scholarship award.
- ◆ Gift cards and ribbons will be awarded to winners in the non-scholarship and individual entry categories by the Medina County Schools’ Educational Service Center (MCSESC).
- ◆ All participants will receive a certificate of participation from the MCSESC.
